Hotel Ownership Dispute Taken Into U. S. Court

Indianapolis, Nov. 20.—(P)—The
president of the French Lick Hotel
Company is named defendant in a
federal court suit which disputes
ownership of the hotel.

The action was brought by Gen-
eral Phoenix Corporation of New
York City against John B. Cabot,
also of New York City. Cabot is
owner of the Pluto Corporation as
well as president of the hotel.

General Phoenix alleges in the
suit that Cabot gave it 100 shares
of stock in the hotel as collateral for
a loan of \$235,000 to the Pluto Cor-
poration. The suit charges that
Cabot defaulted on payment and
that General Phoenix then brought
the 100 shares in a public sale, gain-
ing the controlling interest in the
hotel.

The complaint alleged also that
Cabot issued 900 shares of new stock
in the hotel in an effort to keep the
controlling interest.

Sisters Search For Brother At Decatur, Ill.

Decatur, Ill., Nov. 20.—(P)—Two
New York City women are searching
here for their brother, Mullisolski,
Vonstrautevus, 21.

The sisters, Anna and Marcellie
Vonstrautevus, arrived here yester-
day after their brother wired them
money for a visit. He left New
York about two weeks ago and wrote
them that he was going to work in
the Army Signal Depot here.

But the depot records showed no
one by that name. And the young
man's post office box had been cal-
led. To date, the sisters have been
unable to find any trace of the
brother.

Dismiss Charges Against Sheriff

Belleville, Ill., Nov. 20.—(P)—Two
indictments charging George V.
Gruenwald with malfeasance in of-
fice because of failure to suppress
gambling while he was sheriff of St.
Clair county were dismissed yester-
day.

Circuit Judge Ralph Maxwell or-
dered the indictments dismissed af-
ter receiving a written request from
State Attorney Louis P. Zerweck.
Zerweck said the heaviest penalty
would be removal from office and
Gruenwald has not been sheriff for
almost two years.

Only one indictment for gambling
activities in St. Clair county remains
of the 35 returned by two grand ju-
ries in December, 1946, and April,
1947. It is against Belleville Mayor
Ernest W. Tiemann, Sr. The others
were dismissed as improperly drawn
or at the request of Zerweck.

The workers at J. Capps and sons
have organized a bowling league, un-
der the joint sponsorship of the fac-
tory and the local chapter of the
Amalgamated Clothing Workers of
America.

The league, known as the Capps
A.C.W.O.A. league, is comprised of
60 bowlers, divided into 12 teams,
each consisting of three women and
two men. Uniforms have been fur-
nished the bowlers.

The teams bowl each Saturday
afternoon at 4 o'clock for a 28 weeks
period. The competition began Nov.
13. At the close of the 28 weeks a
banquet will be held, at which time
prizes will be awarded each team in

accordance with its rating. One
thousand dollars in cash prizes is of-
fered.

The league was active before the
war, when it was sponsored by the
A.C.W.O.A. With its revival under
the sponsorship of both the factory
and the union, it is expected that it
will continue on a permanent basis.

The committee in charge is com-
prised of Louis Neiman, chairman;
Thomas Mitchell, president of the
A.C.W.O.A.; Richard Osborne, Sr.;
Owen Nunes, A.C.W.O.A. vice presi-
dent; Floyd Little, secretary of the

Editor Favors Many Reforms In Government

Syracuse, N. Y., Nov. 20.—(P)—
Michael Straight, editor of the New
Republic magazine, today called for
a government "purged of honest
conservatives and of dishonest lib-
erals."

In a speech prepared for delivery
at an upstate New York conference
of Americans for Democratic Action,
Straight urged that "all of the re-
sources of the government be placed
behind reform, that the road-blocks
to reform in congress be cleared
away."

"We need a cabinet," Straight said,
"which believes in the president's
mandate and which works to carry
it out."

"Today," he continued, "majority
rule in the congress is frustrated by

two forces, the lobbies and the
Dixiecrats."

our men know which end is up

When it comes to keeping your Buick up to steering scratch—so a finger-touch can handle it—our men know the answers.

They know the front-end construction of a Buick better than anyone else, so naturally they know what to do and what NOT to do to keep it at its best.

When wear and time have taken their toll of parts like control arm assemblies, steering arms and tie rods, they have our large stock of fresh-from-the-factory Buick parts for replacements.

Buick "savvy" plus factory-engineered parts makes a combination that can't be beat for keeping Buicks at their best.

ADVERTISE—IT PAYS

"WE WORK FOR THREE PEOPLE

The Telephone Subscriber

The Telephone Employee

The Telephone Investor

Each benefits when the Company prospers—each suffers when the Company loses. The Company's rates were adjusted for conditions as of September 1, 1948. So as of that date, the subscriber, the employee and the investor received equitable treatment in the eyes of the rate regulatory body. If prices continue to go up—wage rates increase—our business decreases—your Telephone Company has a problem.

"The situation reminds us of the gentleman who had asked for bids on a large painting job. The low bidder was invited in to talk over the projected work. During the interview he made the statement: 'I won't make a cent on this job.'"

"In that case," said the executive, "the deal's off. I don't want to do business with people who can't make a proper profit on what they sell me. Their incentive is to skimp on the quality of the work or goods, and I don't want this painting to be that kind of

a job. Your guarantee of quality would be worth nothing to me under such conditions, because if you can't make a profit you probably wouldn't be in business if I had to call on you to make good."

"There are a lot of people who are always suspicious of business, and the more successful a business is the more suspicious they are. Unfortunately, there seem to be quite a number of people of this kind in our governmental bureaucracies. They seem to consider business profits as something highly improper. They overlook the important fact that, without profits, there can be no industry for long in a system of free enterprise.

We hope that business remains good—that our revenues will be sufficient to provide the service you want, plus reasonable wages and working conditions for our employees, and plus reasonable financial returns to our investors.

Hospital Sisters To Sponsor Bazaar At School Dec. 6

The Sisters of the Holy Cross at Our Saviour's hospital are sponsoring an evening of entertainment to be held Monday, Dec. 6, at Our Saviour's grade school on East State street.
The proceeds of this event will be used to aid in replacing existing equipment at the hospital which has outlasted its usefulness. The evening will be highlighted with games for those of all ages and a bazaar featuring artistic handiwork. Refreshments will also be available.
In its 52 years of service, Our Saviour's hospital, founded in 1896, has maintained an undisputed place as one of the necessities of the community. During that time it has operated with little outside assistance. Additions made in 1923 were financed by the Sisters themselves.

Here's the ideal portable saw for all-around timber cutting
With the McCulloch chain saw, one man can fell standing timber easily, buck logs quickly, cut off stumps close to the ground. You can't beat it for making fence posts, cutting firewood, or for cutting and bucking timber for sale or on contract.
Amazingly light! The 20-inch saw weighs only 45 pounds complete, yet its special McCulloch engine packs a full 5 hp. And look at these other features: automatic clutch stops the chain when the engine is idling; blade retracts to any angle for easiest bucking, felling, or ripping; recoil starter is kickproof; floatless carburetor permits operation in any position. All-purpose Rip-Cross chain.

CANES FOR EMBROIDERED SOLDIERS

London — (AP) — "Spare the rod, spoil the soldier," the British Army believes — and parents of cadets agree. The war office says that it asks permission of parents of all boys in military schools to cane their children "if the occasion should arise." Seventy-five per cent of the parents approve of the canings.

"The old fashioned punishment of caning is better than such punishments as keeping the boys in to do extra work," a war office spokesman explained.

Assisting Local Veterans

Veterans of Morgan county have field they are in a position to offer at their disposal a service which is unique in veteran's service work. It is the Illinois Veterans commission office in this city.

Prior to establishment of the office at Jacksonville, and 141 other such offices throughout the state, war veterans were required to solicit aid from a number of organizations depending upon the type of benefit they were seeking.

Since 1945 when the commission took over the work of the Governor's Committee on Rehabilitation and Employment, veterans and their dependents are enjoying the privilege of presenting their problems at one agency.

In charge of the Morgan county office is Dallas Whitehurst, a veteran of World War II and a resident of the county. Assisting him is Mrs. Dorothy Clark, secretary. They are shown in above photo with Bernard Ferry of Jacksonville.

Thoroughly Trained
Both Whitehurst and Mrs. Clark have received a thorough education in the many veterans benefits provided by the state and federal government. Through periodic service schools and constant information from the central office at Springfield.

One candidate for the medical college insisted that "The Marshall Plan is an organization of the American Unitarian church which distributes Bibles and baby clothing in Germany . . . or in western Europe."

Grain Advances Lost Near Close

Chicago, Nov. 20—(P)—Selling toward the close either reduced or completely wiped out early advances in grains on the Board of Trade today. Some of the selling in wheat came from the southwest, and may have represented hedging, but for the most part the late slump was attributed to profit-taking after a week of firm markets.

The selling did not get underway until December wheat had pushed to a new high since last April while both July and September sold at peak prices since trading in these contracts started. Buying was based on continued small receipts of cash grain at terminals.

Wheat closed 1/2 lower to 1 higher, December 2.40 1/2-1, corn was 1/2 lower to 1 higher, December 1.44-1.44 1/2, oats were 1/2 higher, December 85 1/2, rye was 1/2 to 1 lower, December 1.80, soybeans were 1 cent lower to 1 1/2 higher, November 2.77 1/2-1, and lard was 50 cents lower to 63 cents a hundred pounds higher, November 19.20 to 18.25.
Receipts today were: wheat 7; corn 362; oats 25 and soybeans 21.

New York Stock Market

New York, Nov. 20—(P)—The stock market finished the week on a rising note today.

Gains in the short session ranged from fractions to more than a point, with some issues hitting new highs for the year.

Business was skimpy. The ticker tape jogged along at the usual slow weekend rate. Transfers were at the rate of only 300,000 shares or so.

Among the gains were American & Foreign Power 7 and 3/4 preferred, Kansas City Southern, Plymouth Oil, Standard Steel Spring, Joy Mfg., Inland Steel, J. I. Case, Douglas Aircraft, American Smelting, DuPont, Allied Chemical, Owens-Illinois, Katy Preferred, Denver & Rio Grande Western, Nickel Plate, and Standard Oil (N.J.).

Bonds were narrowly mixed.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Nov. 20—(P)—All sections of the livestock market were quoted nominally steady today. The hog top was \$22.38.

With poultry competing for consumer preference at retail markets, as is natural at this time of year, both wholesale meat and livestock prices tended to work lower this week. However, the loss in hogs was not great despite a heavy run.

At the end of the week, hog prices were steady to 50 cents lower than a week ago. The steady price was quoted on hogs, which comprised only a very small part of daily arrivals. The market dipped during the early part of the week but advances Friday on good demand.

Wildcats Bowl Over U. Of I. 20-7 Enroute To Rose Bowl Classic

Evanston, Ill., Nov. 20 — (AP) — Northwestern's Rose Bowl express, gathering steam behind a great running attack, made just a whistle stop out of Illinois today.

The Wildcats of young Coach Bob Voigt rolled to a 20-7 triumph over the Illinois, their last hurdle enroute to Pasadena and the New Year's day classic.

Northwestern all but clinched the trip, which must be formally approved by the Big Nine conference. It closed the regular campaign with a 5-1 league record for second place and a season mark of 7-2.

The Cats lost only to undefeated Michigan, which repeated for the Big Nine crown today by downing Ohio State 13-3, and to unbeaten Notre Dame.

Michigan is ineligible to return to the Rose Bowl under the Big Nine-Pacific coast pact after making a victorious appearance last season.

A chilled capacity crowd of 48,000 in Dwyer Stadium cheered Northwestern to its triumph in a fine over a traditional conference foe looking for a costly upset. The Wildcats zipped 71 yards in eight plays for a first quarter touchdown and turned in a pair of breaks into two more scores in the second period to lead 20-0 at halftime.

Northwestern's quarterback, Don

Burson, attempted only two passes in the brisk winds which swept the gridiron. He overshot one receiver, then much later speared Joe Zuravleff, whose broken arm is in a cast, for a 23-yard touchdown in the second quarter.

The scoring play was set up when Illinois was penalized 15 yards for slipping after taking a kickoff.

Northwestern gained the ball on its own one-yard line. Dike Edelman's punt against the wind went only 34 yards—he averaged 44.8 for the game—and Pee-wee Day returned it to the 23. Burson then flipped.

One minute prior to the touchdown pass, Northwestern had punched its second tally on one of those one-in-a-season flukes.

Illinois, behind sizzlin' Sam Plazza's 34 yard run, had rammed to the Northwestern 37. From there, Bernie Krueger's short pass was juggled in midair by Russ Steger. Day jumped and stole it, churned five yards, then lateraled to end Chuck Hagmann. Hagmann, a big cruiser who has been nursing a leg injury, forgot about his troubles long enough to gallop 65 yards to score.

The Wildcats, who outscored Illinois 239 yards to 149, looked at their best in the 71-yard first speedy surge. Frank Aschenbrenner, swift halfback, touched it off with a 17-yard spring and capped it with a 23-yard scoring scamper off tackle as Eddie Nemeth threw a key block.

Jim Farrar, after missing the first conversion, booted the two other extra points.

Burt Schmidt, a 195-pound second string junior fullback from Chicago, and Tommy-gun Krueger made Illinois click in the third quarter to end the scoring.

By quarters:

Illinois 0 0 7 0—7
Northwestern 6 14 0 0—20

Illinois scoring: touchdown, Krueger. Point after touchdown, Masech (placekick).

Northwestern scoring: touchdown, Aschenbrenner, Hagmann, Zuravleff. Points after touchdown: Farrar (2) (placekick).

Georgia Gridder Breaks Leg Trying To Win New Car

Atlanta, Nov. 20.—(AP)—A joking attempt by Georgia Tech coaches to allow Guard Hayes McKinney to score a touchdown and win delivery of a new Buick convertible backfired today when McKinney broke his ankle in the Citadel game.

Tech won the game, 54-0. McKinney, a 150-pound switchguard, was sent into the game twice when the fellow Jackets were within 10 yards of the Citadel goal.

He ran three times and lost seven yards. Later he came in as a halfback and on his first run he was hit by five Citadel players. A stretcher was called to carry McKinney off the field.

After an examination doctors announced that McKinney's right ankle was broken.

An Atlanta Buick dealer, a Tech fan, had promised to deliver the guard a convertible if he scored this season.

U. Of Oklahoma Swamps Kansas 11

Lawrence, Kas., Nov. 20.—(AP)—A mighty and magnificent University of Oklahoma football team clinched the Big Seven conference football championship today by swamping Kansas, 60-7. The Sooners' fleet back, operating behind a mechanical blocking line, reeled off nine touchdowns.

Some 40,000 fans watched the Sooners bulldoze their way to one of the most decisive victories in modern Big Seven football history. It was their fifth victory in the conference for 1948.

Scoring as they pleased, the Sooners found the fast turf to their liking and struck for three touchdowns in each of the first and second quarters, one in the third and two in the fourth.

California Bears Edge Stanford

Berkeley, Calif., Nov. 20.—(AP)—California Bears squeaked by an inspired Stanford football team, 7-6, today to keep their Rose Bowl chances alive.

While more than 80,000 fans gripped their seats in excitement during a thrill-filled game, the Bears, 6-1 favorites and expected to win by 20 or more points, fought their toughest battle of the season.

California finished its season with an unblemished record, 10 straight victories. The last was the closest call of all.

ILLINOIS NORMAL TOPS WESLEYAN 32-6

Bloomington, Ill., Nov. 20.—(AP)—State Normal today defeated Illinois Wesleyan 32-6 in the 76th renewal of the oldest college football rivalry in the state.

The Redbirds' aerial game was unstoppable, and all Normal touchdowns were the direct results of Louis Baker's passes to teammates Ray Morelli, Gene Stratman, Dean Burridge, Bill Krady and Milton Kadlec.

It was the largest margin Normal has piled up in the series, inaugurated in 1887.

Pitt Footballers Upset Penn State By 7 To 0 Count

Pittsburgh, Nov. 20.—(AP)—Few will believe it but Pitt beat proud Penn State 7-0 today.

It was one of the most stunning upsets in a wild college football year. It also was the personal triumph of a big Youngstown, O., kid who shunned glittering offers from gridiron big wheels to come to defeated Pitt.

Nick Bokkavac was sure he could play football here. He did today. He rumbled 23 yards for a last quarter score with an intercepted pass and then place kicked the extra point which sent State spinning into defeat for the first time since 1946.

It made 51,075 fans hoarse from yelling.

That run, the last great act by Bokkavac in a day of splendid line play, spelled finish to an unbeaten string of 17 games for State—18 games if you count the 13-13 Cotton Bowl deadlock with Southern Methodist last New Year's.

Meredosia Indians Down Franklin Cage Crew 36-31

Franklin—The Franklin cage crew lost a hard fought contest to the Meredosia Indians here Saturday night as they came out on the short end of a 36 to 31 score.

It was the first loss of the short season for the local quintet and they took defeat the hard way, never giving up until the final horn had sounded. Franklin was never headed by many points by the Indians during the entire contest.

WILLIAM AND MARY ACCEPTS DELTA BOWL GRID BID

Williamsburg, Va., Nov. 20.—(AP)—William and Mary's Indians today accepted an invitation to play a New Year's Day football game in the Delta Bowl at Memphis, Tenn.

The announcement of William and Mary's acceptance was made by athletic director and head coach R. N. (Rube) McCray a few minutes after the Indians had routed North Carolina State, 26-6.

McCray said he believed the tribe's opponent would be the University of Utah, coached by Ike Armstrong.

GEORGIA BULLDOGS SHUTOUT FURMAN TEAM

Athens, Ga., Nov. 20.—(AP)—The Georgia Bulldogs unleashed a four-touchdown barrage in the last half today to defeat under-manned Furman, 33-0.

Georgia's first touchdown came suddenly in the early minutes of the second period. The Bulldog drove 80 yards, for the score. Halfback Joe Geri plunged over for the four.

LOUISIANA STATE STEMS CRIMSON TIDE

Baton Rouge, La., Nov. 20.—(AP)—Louisiana State's Tigers, beaten six times in eight starts, completely outplayed the Alabama Crimson tide today for a 26-6 upset victory before about 24,000 spectators.

The passing of quarterback Charlie Pevey and the running of fullback Harrell "Rip" Collins sparked the LSU attack.

Ohio Scores Michigan Before Losing 13-3

Columbus, O., Nov. 20.—(AP)—Michigan's mighty Wolverines, their ground attack stymied by a stalwart Ohio State team, took to the airways today and came from behind to win a 13-3 victory.

The second largest crowd over to through the Ohio stadium—82,754—saw the Ohioans rise to their greatest heights of the season, take the lead with a first-period field goal, and win everything but the ball game.

The victory, the Wolves' ninth straight of the season and 23rd in a row, wrapped up their second consecutive Western conference championship and gave them an outstanding claim on the national title. It was their fourth straight conquest over the Bucks, who went into the fray 14-point underdogs.

The Bucks, not the Wolves, looked like the champions in the early going as they allowed the invaders only three first downs in the first half, one on a pass, one by running and one on a penalty. Overall, the Ohioans had a 14-9 edge in first downs.

Ohio scored first—a field goal from the 16-yard line by End Jimmy Hague. Ohio had piked up the ball on the Wolverine seven as Halfback Chuck Ortmann's lateral went awry. Center Jack Linsinger recovering. An offside penalty and two cracks at the line lost nine, setting the stage for Hague's kick.

The Wolves, who failed to gain a yard on the ground the first half, never got beyond their own 40 in the opening quarter, but scored with a flash in the second.

After Fullback Joe Whisler punted

out twice on the Michigan eight, Ortmann flipped a pass to End Dick Riffeburg which was ruled complete on the 44 because of interference. Then Quarterback Pete Elliott passed 13 to Ortmann. Two Ortmann passes failed, and then he attacked one to End Harry Allis who took it on the 30 and raced over for the touchdown.

Early in the third session the Bucks roared from their own 31 to Michigan's 30, but Elliott intercepted Dick Slinger's pass to halt the threat.

The Wolves surged 62 yards in eight plays for their fourth-period touchdown which clinched the verdict. Once again the airfares were used for the distance-baiting maneuver. Fullback Tom Peterson rolled over center for the score. Allis, who booted the first extra point, missed the second.

By quarters:

Ohio State 0 7 0 6—13
Michigan 3 0 0 0—3

Michigan scoring: Touchdowns—Allis, Peterson. Point after touchdown—Allis.

Ohio scoring: Field goal—Hague (placement).

Frank Leahy Says Southern Cal, Irish Will Play

Los Angeles, Nov. 20.—(AP)—Notre Dame's Frank Leahy said today he doesn't believe unconfirmed reports the long grid series between the Irish and southern California's Trojans would be terminated after 1949.

"We always sign a two year contract, and when the period expires, it is renewed almost automatically," said the coach and athletic director.

The Notre Dame club here, cognizant of rumors of a break in the series, recently urged continuation of the series.

Leahy was here scouting the Trojans against UCLA. Notre Dame plays USC here Dec. 4.

Leahy said a contract with Southern Methodist had just about been consummated and all that remains to be settled are definite dates for a home and home series. "SMU always has a fine, interesting team and Matty Bell is a very fine coach," Leahy commented.

Minnesota Crushes Wisconsin In Big 9 Football Finale

Madison, Wis., Nov. 20.—(AP)—Minnesota's massive Gophers crushed Wisconsin, 16-0, today on a wet, slippery field in the western conference football finale for both teams before 45,000 fans.

The Gophers, rambling as they pleased, scored twice in the second quarter and added a field goal in the third. They lost two other touchdowns, both on long runs, when the plays were recalled by penalties.

The victory left Minnesota a half-game out of the running for the Rose Bowl bid as Northwestern whipped Illinois, 20-7, and wound up the Campaign with a 5-1 record. Minnesota lost twice in seven games.

Wisconsin, winding up a dismal year with only one Big Nine victory in six starts, never had a chance. The Badgers spent the first 57 minutes of the game in their own territory—and then got only two yards over the midfield with three minutes to play.

SOUTHERN CAL EDGES UCLA ELEVEN

Los Angeles, Nov. 20.—(AP)—Southern California's Trojans and the Bruins of UCLA fought a bitter cross town rivalry today and the Trojans ground out a 20 to 13 football triumph before 76,577 wildly excited followers.

The loss was UCLA's seventh this season and wound up their 1948 campaign. The Trojans have one more game ahead, with Notre Dame here Dec. 4. A keen onlooker was the Irish coach, Frank Leahy.

HARVARD WINS THIS YEAR

Cambridge, Mass., Nov. 20.—(AP)—Harvard's fleet backs ran Yale ragged in the last quarter today as the Cantabs rallied for two touchdowns and a 20-7 victory over Yale. A capacity crowd of 57,495 in the stadium saw Harvard overcome a 7-6 Yale margin to win the 65th clash of this storied rivalry.

LAKE FOREST DROPS TEXAS CHRISTIAN 21 TO 7

Houston, Tex., Nov. 20.—(AP)—Rice's Owls shook loose from a bad case of first half jitters today to score two touchdowns in the final period and defeat Texas Christian 21 to 7.

The underdog Horned Frogs outplayed Rice throughout the first half and held a 7-0 lead gained through the hard running of Pete Stout and Lindy Berry, who scored in the second quarter.

A&M PASSES TO WIN OVER KANSAS STATE

Bullwater, Okla., Nov. 20.—(AP)—Striking through the air for four of its six touchdowns, the Oklahoma A&M cowboys passed over Kansas State's Wildcats 42-6 here today before 12,000 spectators.

The Oklahomaans cut loose for four touchdowns in the first quarter then toyed with the Kansas the rest of the contest.

Chambersburg 5 Overwhelms Pearl By 50-29 Score

Chambersburg—The Chambersburg quintet lived up to all advance notice that they are going to be the team to beat in the PMBC conference this year by routing the Pearl cagers 50 to 29 on the Chambersburg floor last night.

It was a typical early season game in that Chambersburg started cold and was unable to do any real scoring until the fourth quarter when, with H. Ham carrying the load, they unleashed a 22 point scoring attack that swept the Pearl cagers completely off their feet, to win the contest going away.

H. Ham tallied 10 field goals to lead the scoring parade with 30 points. D. Pool and Eddie Jackson were also impressive as they each added 13 to the Chambersburg total. Edwards, Pearl forward, did his best to stem the red wave of Chambersburg, by throwing in 5 field goals and 3 gift tosses for a 12 point total.

The preliminary contest was a low scoring affair with the host team again emerging the victor by a 24 to 12 margin.

Oregon Ducks Best Oregon State In Rose Bowl Bid

Corvallis, Ore., Nov. 20.—(AP)—Two-inch ooze nearly stopped the Oregon Ducks' Rosebowl drive but they finally staged two drives over a stubborn Oregon State team to produce a 10-0 victory here today.

It was the seventh straight coast conference win for the Ducks, whose hopes of going to the Rose Bowl now rest on a vote of conference schools.

Their rivals for the Bowl—the California Bears—ended the season with six conference wins, just getting by Stanford, 7-6, today.

Oregon produced a touchdown in the second quarter and the big Oregon line kept the Staters completely subdued.

John McKay, Oregon's fleet left halfback, finally came up with what was a long run for the day: 15 yards without slipping into the muck. The run came at the end of a 40-yard drive for Oregon's touchdown, two minutes before the half ended.

Scrubbed dry between halves, the Ducks came right back at the start of the third period to add a field goal.

Congressmen Tell Gen. Clay People Are Behind Him

Berlin, Nov. 20.—(AP)—A group of visiting congressmen said today American lawmakers "and the American people" are solidly behind the U.S. government's determination to remain in Berlin.

Rep. George J. Bates (R-Mass) told Gen. Lucius D. Clay, American commander in Germany, after a three-day visit:

"We're behind you a hundred percent. And congress is behind you because the people want it that way."

Bates spoke for five colleagues after the group met with Clay in his military government offices. The general hurried back from Paris to greet the six members of the House armed services committee who are touring Germany and Austria.

Clay conferred in Paris all morning with Secretary of State Marshall. The general and his political advisor, Ambassador Robert Murphy, gave the Marshall a complete picture of the situation here prior to the secretary's return to Washington to review world problems with President Truman Monday.

CLEMSON BESTS DUQUESNE GRIDDERS

Clemson, S. C., Nov. 20.—(AP)—It took the undefeated Clemson Tigers almost a full quarter to get started today but after they got their first touchdown they went on to a decisive 42-0 conquest of Duquesne university from Pittsburgh.

A Clemson homecoming crowd of 17,500 saw the Tigers win their eighth straight game of the season. The victory boosted Clemson's bowl stock.

U. OF NEVADA DEMANDS RETRACTION OF STATEMENT

Reno, Nev., Nov. 20.—(AP)—The University of Nevada today demanded that the Nevada Santa Clara game to benefit Nevada gamblers.

The 14-0 loss by Nevada at Sacramento Nov. 7 was Nevada's first defeat of the season.

Through a law firm, the university said the publication made an "infamous" and "deliberately malicious" attack on the Nevada football team.

I.C. Ends Grid Season With 40 To 6 Defeat By Hillsdale College

Special To Journal Courier
Hillsdale, Mich., Nov. 20 — The Illinois College griders were penalized a total of 210 yards as they came out on the short end of a 40 to 6 score at the hands of Hillsdale, Michigan college Saturday afternoon.

The Blueboys fought the majority of the contest with their backs to the wall, as the superior speed of the Michigan team, combined with the never-ending penalties put them far back in their own territory. Paul Lasley was called on time after time to boot the piskin out of IC's back yard. The local boy averaged 34 yards, punting against the wind throughout most of the game.

The game was one of the longest played by the Blueboys all year, lasting 2 hours and 35 minutes. More time was spent debating with the officials than actually playing ball. The much discussed last two minutes actually took 16 minutes before the clock announced the end of play.

Illinois College actually compiled a greater number of first downs than did the Michigan gridgers, counting 12 to Hillsdale's 8. Now, ever, long runs accounted for most of the Michigan eleven's tactics, while IC relied on straight driving football and short passes. Every back on the Blue boy team attempted a pass as the team totaled 9 completions out of 26 attempts for a net gain of 122 yards.

IC basketball stars Gross and Longer were injured slightly in the fray, and may miss the initial hardwood conflict. However, coach Miller reports the injuries were not serious, and the ball cagers will soon be in action on the boards.

Both the Michigan and Illinois coaches sent in everything except the waterway and the backstave every player a chance to see action in the last game of the grid season.

The starting line-ups:

ILLINOIS Pos. HILLSDALE
Longer I.E. Cuddeback

SMU Beats Baylor, 13 To 6; Wins Cotton Bowl Bid

Dallas, Tex., Nov. 30.—(AP)—Southern Methodist University beat Baylor with an ace today and won a Cotton Bowl bid on a 13-6 decision.

Kyle Rote was the ace in the hole that licked the Bears, scoring once on a 24-yard run to bring the Mustangs even and again on a 19-yard jaunt that wrapped up the game.

The victory clinched a share of the Southwest conference championship and even if the Mustangs lose their final game they would finish in a tie with Texas. Precedent gives the New Year's day Bowl bid to the winner of the game between two teams deadlocked for the title, and Southern Methodist whipped Texas.

The Bears played vaunted Southern Methodist to a virtual standstill in the first half and moved into the lead early in the third quarter. Ben Hall clinched a 20-yard drive when he plunged over from the one. Henry Dickerson missed the try for extra point.

Four minutes after Baylor's touchdown the Mustangs struck paydirt. Doak Walker, Mustang All-American, powered the 57-yard touchdown drive. Rote finished it up when he broke around end and went 24 yards for the marker.

While 58,000 fans watched in silence, Walker booted the ball cleanly through the goal posts. Until the Mustangs staged a 46-yard scoring drive in the waning minutes of the fourth period it looked as if it would be the winning margin.

Purdue Smashes Indiana 39 To 0; Wins Oaken Bucket

Lafayette, Ind., Nov. 20.—(AP)—Purdue rose to its early season power today and smashed through Indiana for a 39 to 0 victory to bring the Old Oaken Bucket back to Lafayette.

It was a great climax for Purdue, the third victory of a season which opened with a thrilling one-point loss to Notre Dame.

For Coach Stu Holcomb it was a sweet victory, too, because it is the first time in five years that the traditional Old Oaken Bucket has come back to Lafayette.

Against their traditional state rival the Boilermakers started strong with two quick touchdowns and never let up.

Indiana fought back hard, but the Hoosier line couldn't open the holes for the runners and the passes just wouldn't find their way home.

Hard-charging Halfback Harry Seuborski paced Purdue's slashing ground game as he bucked over for the first Boilermaker score after three and a half minutes of play and then raced 30 yards just one minute later for the second six-pointer.

North Carolina Trims Duke 20-0

Chapel Hill, N. C., Nov. 20.—(AP)—Lashing out with three quick touchdowns in the last two periods, North Carolina trimmed Duke, 20-0, today to run its unbeaten string to 10 games.

Held even by a battling underdog Blue Devil team during a scoreless first half, the Tar Heels, paced by their dynamic tail back, Charlie Justice, turned on the heat in the closing half.

Waltz into Darkness

BY WILLIAM IRISH

THE STORY

Time, 1880. Place, New Orleans. Well-to-do Louis Durand, a man of a correspondence, courtship with a Miss Julia Russell, whom he has never seen. When she finally comes from St. Louis to marry him, he is amazed to find her young and ravishingly beautiful—entirely different from what he had been led to expect. Certain behavior of hers puzzles him from the first but not until a letter arrives from her supposed sister—Miss Russell's sister—does he realize the woman he married is an impostor. Before he can face her with it, she disappears with \$30,000, withdrawing from his bank account. The police advise him to go to St. Louis to see what he can find out. He does so, calls on Julia Russell's sister. Comparing notes, they realize something must have happened to Julia Russell on the trip to New Orleans. The call in Walter Downes, private investigator. At Downes' suggestion, he and Durand take the same boat back to New Orleans that Miss Russell traveled on. Although they uncover a little evidence, Downes is convinced of a murder. When the two men separate, Downes assures Durand that he will see him again some day.

XX

MAY again, May of '81 now. A year since the marriage. The train from New Orleans came into Biloxi late in the afternoon. The sky was porcelain fresh from the kiln; a little wisp of steam seeping from it here and there, those were clouds. The tree tops were shimmering with delicate new leaf. And in the distance, like a deposit of sapphires, the waters of the Gulf. It was a lovely place to come to, a lovely sight to behold. And he was old and bitter now, too old to care.

He was the last one down from the steps of the railroad coach. He climbed down leadenly, grudgingly, as though it were all one to him whether he alighted here or continued on to the next place. It was. To rest, to forget awhile, that was all he wanted. To let the healing process continue, the scars harden into their ugly crust. New Orleans still reminded him too much. It always would.

2 Morgan County Boys Arrested For Theft Of 3 Trucks Friday

Two Morgan county boys were taken into custody late Friday night after they are alleged to have stolen one truck in Springfield and two in this city. The arrests were made by Captain Ike Flynn and Patrolman Ernest Smith. According to police the boys gave their names as Raymond Hayes, 14, of Jacksonville, rural route three, and Gene Hacker, 13, of 1137 Allen avenue, this city.

Police reported that Hayes and Hacker went to Springfield Friday and in the evening stole a truck belonging to C. L. Scaise, a florist. The boys started toward Jacksonville but the truck developed a flat tire near Arnold subway, east of the city, and was abandoned.

According to police the boys then came to Jacksonville and made off with a truck belonging to T. P. Cosgriff, of southwest of the city, which was parked on East Douglas ave. The boys started west on Route 104 but found that the engine of the truck was not functioning so they abandoned it near the Kinman School house, walking back to the city.

Take Third Truck From Garage
Looking around the boys discovered a truck belonging to Tom Begnell which was parked in the rear of the Brummett Garage on North Sandy street. Taking this vehicle the boys again started west on Route 104 but ran into a ditch near the Spaulding corner, three miles west of the city. They then went to near the Kinman school to pick up the abandoned Cosgriff truck. They had just climbed into this truck when Captain Flynn and Officer Smith placed them under arrest.

At the police station the officers said the boys admitted taking the truck and also breaking into a filling station east of Alexander and stealing some cigarette lighter flints, and a quantity of cigarettes.

Bond Set At \$1,000
A warrant was sworn out Saturday morning in the court of Justice C. S. Smith against Hacker. His bond was set at \$1,000 and he was taken to the county jail to await action of the grand jury.

Hayes, who has already been declared a juvenile delinquent for his part in the theft of an automobile from the Dewese filling station, will be taken to the St. Charles School for Boys.

Police said that a report from Springfield said that when the boys stole the truck there, it contained two palms valued at \$200 which were to have been used at a wedding in the capital city today. The boys tossed the palms from the truck near New Berlin.
